Gunbeat

Words & Music: Matteo Villa (c) 2016

[Verse]
I'm Waitin', waitin' in my room
My heart's beating, beating like a gun
Tryin' not, try not to look, look at the clock
I don't want, want to lose, lose my cool

        [Chorus]
        How long, long does it take?
        Before I hear that knock at the door
        How long, long does it take?
        Before I'm losing control

[Verse]
Children running, running all the way
People walking and amuse
Sudden noises, breaking the silence
Sudden flashes that tear my breath
