

Marriage, etc.

Words & Music: Matteo Villa (c) 2012

[Verse]

She smiles She's standing at the doorway
She knows Her man will come home that day
She smiles She's standing at the edge of the bed
And she's wearing Her sweetest negligee

[Chorus]

Will you carry my luggage?
(I know,) it is part of the marriage
Will you open the door?
(Yes) you told me before

[Verse]

She cooks She dreams of making something sweet
For her man who hopefully will eat
She's drawing pictures in her mind
With her life, That's full of sweet surprises

[Verse]

She seats She thinks her life is sweet
As he looks For the game on TV
There's a light outside of their house
That means married for life
